1. Introduction

- 1.1** The Welsh Government today tabled the second supplementary budget for 2021-22 in accordance with Standing Order 20. This supplementary budget proposes changes to the first supplementary budget for 2021-22 as approved by Senedd Cymru ('the Senedd') on 13 July 2021.
- 1.2** This supplementary budget regularises allocations to and from reserves, transfers within and between portfolios and includes adjustments to the Wales budget to reflect the impact of UK Government fiscal events.
- 1.3** The continued fiscal impact of the coronavirus pandemic is reflected within this supplementary budget and all key allocations are set out in detail in Chapter 2.
- 1.4** This document supports the detailed 'Budget Expenditure Line (BEL) Tables' available on the Welsh Government's website.

2. Key Allocations

COVID-19 Allocations from Reserves

- 2.1** The ongoing COVID-19 pandemic and the effects of the Omicron variant continue to have an impact on our lives and our communities with further restrictions and measures in place to mitigate the effects of rising numbers of cases, particularly on our NHS over the winter months when seasonal pressures are felt. To address this and to continue to support the Welsh economy and ensure our public services are equipped to continue to deal with the wide-ranging challenges of the pandemic, the Welsh Government has provided an additional **£1.4bn** from the Reserve for allocations in response to COVID-19 in this supplementary budget. This means that since the start of the pandemic we have allocated more than **£8.4bn** to mitigate its impact.
- 2.2** The COVID-19 allocations are set out under the four broad themes of ***Health and Public Services, Supporting the Economy, Transport and Third Sector and Communities***. All the COVID-19 allocations are not recurrent in 2022-2023.
- 2.3** We have responded with support to such a broad range of matters that the theme of ***Health and Public Services*** is further organised to show the measures that we have taken in the following areas within the theme:
- Health and Social Services
 - Local Government
 - Household Support
 - Education
 - Children and Families

Health and Public Services

Health and Public Services		
<i>Sub-heading</i>	<i>COVID-19 Allocations from Reserves</i>	<i>Total</i>
Health and Social Services	Health Support and Recovery	£551m
	Social Care Recovery	£140.72m
Local Government	Local Authority Hardship Fund	£135.5m
	Local Government Settlement Support	£50m
	Council tax revenue support	£19.3m
Household Support	Household Support and Winter Fuel Support	£74.724m
	Household Support – Leasing Scheme	£0.262m revenue £0.17m capital
	Tenancy Hardship grant	£8m
Education	Further Education (FE) Measures	£45.224m
	Learner recovery in schools including Recruit, Recover and Raise Standards Programme	£33m
	Personal Learning Accounts	£10m
	Support for learners in exam years	£9.594m
	Post 16 Learner transition activity	£6.27m

Children and Families	Package of well-being support	£36.6m
	Early Help Programme	£7m
	Child Development Fund	£4.5m
	Youth Work Mental Health Support	£2.5m
COVID-19 Inquiry	COVID-19 inquiry preparatory work	£1.130m
		<u>£1,163.770m</u>

Health and Public Services: Health and Social Services

- **Health Support and Recovery- £551m**

2.4 The COVID-19 pandemic has had a massive impact on the NHS and social services in Wales. In response to the pressure this causes, we have [continued to support the NHS with a package of measures](#) in this supplementary budget to help not only with the significant costs of dealing with the pandemic and increasing capacity in our hospitals but also to help the NHS to move forward beyond the pandemic.

2.5 Within this package, we allocated:

- **£411m** for the ongoing costs of dealing with the pandemic until April 2022. This includes the vaccination programme, testing, PPE, and new cleaning standards for infection control.
- **£100m** to help health boards' recovery plans, including speeding up the treatment of those who have been waiting the longest.
- **£40m** capital for equipment and for adapting hospitals and other buildings to increase capacity for routine procedures, whilst maintaining COVID safe areas.

- **Social Care Recovery - £140.72m**

2.6 The pandemic continues to present challenges to social care. Local authorities are facing pressures in both adult and children's social services with the pandemic highlighting many of the pre-existing issues facing social care including increased demand, funding pressures and workforce challenges. In response to this we have allocated:

2.7 **£50m** towards local authorities' projected overspends and plans for and to respond to winter pressures.

Health and Public Services: Health and Social Services (continued)

- 2.8** £40m [to establish a Social Care Recovery Fund](#). Allocations have been made to each local authority for authorities to spend, with partners, on social care recovery activity in line with the priorities set out in the [Social Care Recovery Framework](#).
- 2.9** £8m will fund a number of specific [social care recovery activities](#), including extending the carers support fund; tackle loneliness in older people; investing in the social care workforce's wellbeing and in residential services for care-experienced children.
- 2.10** £42.72m to [help address social care system pressures](#) with a suite of measures including financial support for unpaid carers, the third sector and clusters, integrated responses through Regional Partnership Boards including micro enterprises, measures in Children's Services, and further advertising and media work to attract and retain staff.

Health and Public Services: Local Government

- Local Authority Hardship Fund - £135.5m

2.11 We established the Local Government Hardship Fund at the beginning of the pandemic in recognition of local authorities' wider role in the community during the crisis and the inevitable increased costs and lost income as a result of the necessary actions taken to protect public health. The Fund supports the additional costs and loss of income and covers all services in the provision of social care, education and other essential public services within the community. The pandemic continues to be uncertain and with the appearance of the omicron variant additional restrictions were put in place. Extra funding has been allocated to the hardship fund to support local authorities with the impact of these restrictions.

2.12 In this supplementary budget the following allocations have been made to the Fund:

- **£50m** to provide financial support for delivering essential services and loss of income to 31st March 2022;
- **£46m** in recognition of the additional costs and loss of income for local authorities as a result of the impact of the Omicron variant;
- **£25.5m** to support the delivery of Adult Social Care in Wales to maintain appropriate levels of care for recipients, aid the response to the pandemic, and to support service recovery;
- **£10m** to maintain the homelessness emergency response to 31st March 2022 and ensure no-one is left without accommodation, together with the support they need to stay safe during the pandemic;
- **£4m** for the [extension of the self-isolation payment scheme](#) to 31st March 2022 to support people who have been told to isolate by NHS Wales Test Trace Protect service, but may experience financial hardship as a result of having to stay at home and miss work.

Health and Public Services: Local Government (continued)

- Local Government settlement support

2.13 We are allocating **£50m** of additional revenue funding to further support local authorities manage the pressures that they are facing by the effects of the pandemic.

- Council tax revenue support

2.14 The pandemic has continued to impact on the ability of local authorities to collect council tax, leading to a reported reduction in the revenue gathered by local authorities to support local services and day-to-day operations. **£19.3m** is allocated to mitigate the impact of reductions in collection of council tax for the 2021-2022 financial year.

Health and Public Services: Household Support

- Household Support and Winter Fuel Support - £74.724m

2.15 To [support people in Wales with the cost-of-living crisis](#) that families are facing we are providing a range of measures aimed at helping low income households to meet the immediate pressures on living costs this winter and to reduce the impact of the cut to Universal Credit, Working Tax Credit and the rising cost of energy. This includes:

- **£61.082m** for a [Winter Fuel Support Scheme](#) to directly support families to cover their energy costs and keep their homes warm this winter. Eligible households in receipt of working age means-tested welfare benefits, can claim a one-off £200 cash payment to provide support towards paying their winter fuel bills;
- **£0.89m** capital and **£0.234m** revenue for the Western Valleys Community Transport Pilot scheme to provide regional support for community transport providers;
- Up to **£4.29m** to support preparations to extend free school meals to primary school pupils in Wales;
- **£4m** to support families with the cost of the school day. This allocation is been used to extend Pupil Development Grant-Access (PDG-Access) to all eligible pupils in every school year in primary and secondary schools, increasing funding for PDG-Access to nearly £13m in 2021-22;
- **£2m** to support local authorities with discretionary activity, aimed at preventing or relieving homelessness, which cannot be funded through other grant programmes or welfare funds;
- **£0.6m** to extend the COVID-19 Community Support Hubs pilot scheme until 31 March 2022 and to roll out the Hubs across other local authority areas in Wales;
- **£0.588m** capital and **£0.57m** revenue to support community food organisations and to support the Big Bocs Bwyd pilot scheme;

Health and Public Services: Household Support (continued)

- **£0.25m** for Public Transport assistance schemes for asylum seekers about to start a short-term pilot which will provide free bus travel for asylum seekers residing in Wales;
- **£0.15m** for the fflecsi contact centre extension, as this is a Transport scheme the allocation is in the Climate Change MEG;
- **£0.06m** to support the affordable credit marketing campaign to promote credit unions as the leading providers of affordable credit in Wales;
- **£0.01m** for the Roma Community Project and the development of a Roma Support Group.

- **Household Support – Leasing Scheme**

2.16 **£0.262m** revenue and **£0.17m** capital is allocated to the local authorities in the pilot to proceed with the first phase of the Private Sector Leasing Scheme Wales where those on low income can access good quality long term Private Rented Sector accommodation at an affordable cost.

- **Tenancy Hardship grant**

2.17 We know that once someone falls behind with their rent it can be increasingly difficult for them to catch up without support. We are allocating **£8m** to help people in private rented accommodation who are struggling to pay their rent because of the pandemic. The grant is designed to help people stay in their homes and prevent them losing their tenancies.

Health and Public Services: Education

- FE Measures - £45.224m

2.18 We recognise the upheaval the pandemic has continued to have on learners, and the need to provide for recovery and adaptation. We are supporting the education sector by allocating **£45.224m** for a range of measures and activities to help institutions in managing the impacts of the pandemic and other national priorities. This includes:

- **£19.225m** and **£7m** for digital and green maintenance and equipment, to align the learner offer with economic demands;
- **£8.129m** to support the costs of delivering to learners in a safe environment and maintaining learner services to ensure the most disadvantaged learners are not further impacted;
- **£3m** to increase support of the Renew and Reform programme to manage impacts of the pandemic;
- **£2m** for the design and roll out of a Net Carbon Zero e-learning module for all vocational level 3 learners;
- **£1.665m** for the increased costs of consumables used in the delivery of vocational learning programmes; and
- **£3.7m** for increased cleaning costs to reduce transmission risks and **£0.505m** to allow colleges to maintain Free School Meals equivalence.

Health and Public Services: Education (continued)

- **Learner Recovery**

2.19 We have allocated **£33m** additional funding for the Recruit Recover Raise Standards programme to enable schools to support learner recovery, to address impacts of COVID-19 and invest in resources to support the delivery of the new curriculum.

- **Personal Learning Accounts**

2.20 We are supporting [Personal Learning Accounts](#) with an allocation of **£10m** from the reserve to boost Wales' popular Personal Learning Accounts to enable further education colleges to deliver additional courses and qualifications which will help 2,000 people access a wider range of job and earning opportunities in priority sectors, such as the NHS and hospitality facing labour shortages.

- **Support for learners in exam years - £9.594m**

2.21 We want to ensure all young people in qualifications years are able to access practical support or advice to help them so they can look forward to the next step of their life, whether that be in education, training or employment. We are allocating **£6m** as additional funding to support the teaching and learning of learners in qualifications years, particularly in core qualifications such as Maths and English that are important for progression and help to promote confidence and learner well-being, as well as to support those who feel anxious about exams.

2.22 **£3.594m** has been provided to support learning recovery and the delivery of the alternative arrangements for qualifications undertaken in 2021. The allocation also funds an external evaluation of recruit, recover and raise standards (RRRS).

Health and Public Services: Education (continued)

- **Post 16 Learner Transition Activity**

2.23 We are committed to ensuring young people can move confidently to their next steps despite the disruption of the pandemic. We are allocating **£6.27m** to support them with their transition into the next stage of their education or career. This includes activities such as taster sessions into vocational careers and open days to give them the opportunity to understand and trial a choice of progression pathways.

- **Newly Qualified Teachers**

2.24 With schooling disrupted by the pandemic many trainee teachers across Wales missed the opportunity to gain experience with in-classroom training. As part of the 1st Supplementary Budget we allocated £6m to ensure newly-qualified teachers (NQTs) have a term of employment to support their transition into teaching. This additional **£5.38m** has enabled us to extend the employment to a total of two terms and takes total funding to over £11m in 2021-2022.

- **CO2 sensors and improvements to ventilation**

2.25 We have provided **£5.89m** of capital funding for Carbon Dioxide (CO2) sensors and improvements to ventilation to support the rollout of CO2 monitors for schools, colleges and universities.

- **Welsh Language (Cymraeg 2050)**

2.26 **£2.4m** has been allocated to support the delivery of our five-year national strategy [Work Programme for Cymraeg 2050](#). £2.2m of this allocation is to expand late immersion provision which helps learners entering Welsh-medium education at a later stage (typically after the age of seven) and pupils for whom Welsh may not have been part of their daily routine, to gain the skills and confidence needed to continue their learning through Welsh. It will contribute towards the aim of reaching one million Welsh speakers by 2050, and increasing the daily use of our language. The remaining £0.2m will support the Eisteddfod Genedlaethol to recover following the impact of COVID-19.

Health and Public Services: Education (continued)

- **National Strategy for Educational Research and Enquiry**

2.27 **£1.744m** has been provided to support the National Strategy for Educational Research and Enquiry (NSERE) work including evidence reviews on the impact of the pandemic on aspects of the education system and the implications for the Renew and Reform programme as well as a research programme to capture robust empirical evidence on the impact of the pandemic on the wellbeing and educational progress of learners.

- **Further Education Knowledge Transfer**

2.28 **£2.862m** has been allocated to support a Knowledge Transfer Scheme aimed at colleges and independent work based learning providers fund the delivery of master classes or research projects designed to accelerate and build expertise for staff. This will increase the learner's knowledge and learning experience in subjects such as digital, green skills, retrofit construction and engineering.

- **Additional Learning Needs**

2.29 The impact of COVID-19 is affecting all learners, but disproportionately affecting vulnerable and disadvantaged learners, particularly children and young people with Additional Learning Needs (ALN). By providing extra resource to support learners with ALN to recover from the effects of the pandemic, we can reduce the likelihood of long-term and/or lifelong impacts on their education, skills, health, and wellbeing.

2.30 We have provided **£10m** for targeted support for children and young people with ALN who have been further disadvantaged by the pandemic.

Health and Public Services: Children and Families

2.31 We continue to place children's rights at the heart of our response to the pandemic, providing support and opportunities for children and families within their community, childcare, play and education settings. A [£36.6m package of well-being support](#) has been allocated to support families and children recover from the pandemic. Allocated via local authorities it comprises of:

- **£11.638m** of capital funding to support our childcare and play settings, including Flying Start;
- **£5m capital** to support increased play opportunities in line with play sufficiency assessment action plans; and
- **£20m** to support the commitments set out in [Renew and Reform](#) (comprising £11.45m, £6.3m, £2.25m to the E&WL MEG, HSS MEG and the Economy MEG respectively). It is allocated to build on the success of projects such as the Summer of Fun, providing more opportunities for children and young people aged 0-25 to develop their social, emotional and physical well-being. £2.3m will support activities being taken forward by our museums, libraries, Sport Wales and their national partners, and Urdd Gobaith Cymru, enabling the provision of activities in a variety of settings and for all ages and abilities.

- **Early Help Programme**

2.32 **£7m** has been allocated for initiatives to support early year, childcare and play services and provision and to assist with the short term impact of the pandemic on these services.

- **Child Development Fund**

2.33 We have provided **£4.5m** for the continuation of the Child Development Fund to local authorities to provide additional developmental support and build on the approaches seen so far in areas including speech, language and communication delay; fine and gross motor skills delay; and personal and social development.

Health and Public Services: Children and Families (continued)

- Youth Work Mental Health Support

2.34 £2.5m is provided to local authorities through the Youth Support Grant

to work with the voluntary sector and reach a wider range of young people, including those with protected characteristics who are not currently engaged with youth work and who may not currently be engaged with formal education, training or work. It will support youth workers to deliver early intervention and prevention services for those with low-level emotional mental health and wellbeing issues, and be available all across Wales.

Health and Public Services: COVID-19 Inquiry

- COVID-19 Inquiry preparatory work

2.35 £1.13m for the preparations and activity in relation to the COVID-19 Public Inquiry.

Supporting the Economy

Supporting the Economy	
<i>COVID-19 Allocations from Reserves</i>	<i>Total</i>
Emergency support for businesses	£125m
Business Innovation	£13.9m capital
Cultural Recovery Fund	£14.75m
Food and Drink Industry Recovery	£12m
Visitor Economy Boost	£4.92m
Sport and Leisure Recovery Fund	£4m
Cadw	£2m
Glamorgan Cricket Club loss of income	£0.71m
	<u>£177.28m</u>

2.36 We know Welsh retail, hospitality, leisure and tourism businesses and their supply chains have been impacted by the rapid spread of the Omicron variant and the sector needs emergency financial support at this challenging time. We have extended this help to [newly-established businesses](#) and non-essential retail so that smaller shops will be supported and our high streets can continue to thrive.

- **Emergency support for businesses**

2.37 **£125m [package of emergency support](#)**, which includes provision for the administration costs of running the scheme, available for Welsh businesses impacted by the spread of Omicron through the period 13 December 2021 to 14 February 2022 – the timeframe is linked to the expected impact for those businesses. The funding comprises three elements:

- Non Domestic Rates (NDR) linked grants of up to £6,000;
- A discretionary fund delivered by Local Authorities to support sole traders, freelancers and businesses who do not pay rates, with grants of £1,000 - £2,000; and
- The reopening of the Economic Resilience Fund (ERF). On top of NDR based grants, this fund sees grants of up to £25,000 made available for severely impacted hospitality and leisure business – and their supply chains.

Supporting the Economy (continued)

- **Business Innovation**

2.38 The COVID Research & Development scheme in 2020 demonstrated a real demand from businesses and research organisations to engage in developing new products and processes to assist with the recovery from the pandemic. A **£13.9m** capital allocation will enable businesses, universities, the public and private sectors to further collaborate on a variety of SMART Business Innovation projects to develop new products, processes and services. This activity also supports cross departmental delivery of key Programme for Government priorities, including circular economy goals, decarbonisation, environmental sustainability, health innovation, life sciences and innovative housing.

- **Cultural Recovery Fund**

2.39 In recognition of the pandemic's significant impact on and the valuable contribution of the cultural sector, we have provided funding over the course of the pandemic to ensure the long term stability of the cultural sector across a number of funds, resulting in the vast majority, if not all venues, escaping permanent closure. **£14.75m** is an additional allocation to support the [running of a third round of the Cultural Recovery Fund](#).

- **Food and Drink Industry Recovery**

2.40 COVID-19 has impacted the Welsh food and drink sector hugely and threatens business survival. **£8m** revenue and **£4m** capital is allocated to support a series of priority actions set out in the [Food and Drink Wales Covid-19 Recovery Plan](#) to support the food and drink industry so that the majority of businesses and supply-chain networks have enough resilience to survive.

Supporting the Economy (continued)

- Visitor Economy Boost

2.41 Tourism continues to face challenges as a result of restrictions to control the pandemic. **£4.92m** is allocated to support a range of measures to boost the visitor economy in Wales which includes the extension of Visit Wales Autumn/Winter marketing activity and develop resources and core products for the tourism industry specifically to boost visits into Spring 2022.

- Sport and Leisure Recovery Fund

2.42 The sports sector also continues to suffer as a result of the pandemic and we are allocating **£4m** for a Sport and Leisure Recovery Fund 2 to support the sector in meeting the ongoing challenges of the crisis and provide some of the recovery measures needed to support longer-term sustainability.

- Cadw

2.43 Cadw has a vital role in protecting our heritage and taking care of historical properties, and in usual times delivers significant benefits in terms of the economy and tourism, as well as important social and environmental impacts. The pandemic continues to have an impact on Cadw's commercial income, particularly in the early months of the 2021-22 financial year, and we are allocating **£2m** in response.

- Glamorgan Cricket Club loss of income

2.44 We are allocating **£0.71m** to support Glamorgan County Cricket Club as a result of the continuing financial impact of the pandemic on its income from spectator revenue.

Transport

Transport	
<i>COVID-19 Allocations from Reserves</i>	<i>Total</i>
Support for Rail Services	£53.1m
Bus Support	£22m
	<u>£75.1m</u>

- **Support for Rail and Bus Services – total £75.1m**

2.45 Restrictions put in place to mitigate the effects of the pandemic continue to have an impact on public transport use and passenger revenue.

2.46 **£53.1m** is allocated for further subsidisation and support for the continued operation of rail services across the Wales and Borders region for the period 1st January to 31st March 2022. This required is due to the suppressed passenger demand leading to reduction in farebox revenue and the changes in how rail services are now managed.

- **Bus Support**

2.47 **£22m** is allocated to support the bus industry maintain and improve levels of service provision to meet evolving passenger demand and enable operators and passengers to use the network safely through the transitional period as the country recovers from the pandemic.

2.48 While there has been an increase in demand for bus services as the lockdown restrictions have eased, demand is still well down on the pre-pandemic journey numbers over the same period.

Third Sector and Communities

Third Sector and Communities	
<i>COVID-19 Allocations from Reserves</i>	<i>Total</i>
Discretionary Assistance Fund	£4.2m
Third Sector Support	£6m
Advocacy and Advice	£1.5m
Violence against Women, Domestic Abuse and Sexual Violence (VAWDASV)	£1m
Support for Africa	£1.5m
Support for Disabled People	£0.88m
	£15.08m

2.49 We continue to prioritise the needs of the most vulnerable in society and to mitigate the impact of the ongoing effect of the pandemic we are making the following allocations.

- **Discretionary Assistance Fund**

2.50 **£4.2m** to the Discretionary Assistance Fund to continue the rules relaxation around applying for a payment, providing greater flexibility and discretion to the number and frequency of Emergency Assistance Payments up to 31 March 2022. We are extending these flexibilities to include people impacted by the withdrawal of the Universal Credit £20 uplift payment introduced in October 2021.

- **Third Sector Support**

2.51 The third sector has provided an important role in response to the pandemic, offering many invaluable services and advice. The sector has been hit hard by the pandemic, not only losing funds due to the lack of fund raising opportunities but also digging into their reserves in order to keep services running.

Third Sector and Communities (continued)

2.52 We are allocating **£3m** to help the third sector provide continued vital support to vulnerable people and complement statutory services and **£3m** of additional funding to the Third Sector Resilience Fund set up to help voluntary sector organisations survive the ongoing pandemic and help them to improve their resilience and future sustainability.

- **Advocacy and Advice**

2.53 Inequalities in our society have been exacerbated by the pandemic and the financial pressures that face households across Wales are now intensifying due to the combined impact of end of the £20 Universal Credit uplift payment and significant cost of living increases. **£1.5m** is allocated to support the provision of Advice Services so that people understand all the financial support that is available to them and are able to access the advice and support they need to navigate through the social security system.

- **VAWDASV**

2.54 The pandemic raised significant challenges for victims, survivors and specialist services in the Violence against Women, Domestic Abuse and Sexual Violence (VAWDASV) sector. **£1m** is allocated to support preventative work, including healthy relationship education in schools and Violence against Women, Domestic Abuse and Sexual Violence (VAWDASV) awareness raising campaigns.

- **Support for Africa**

2.55 Wales has longstanding relationships with both Namibia and the Mbale region of Uganda and many people from Wales are engaged in these community or institution based links. We are allocating **£1.5m** to provide support for a number of projects including Oxygen Namibia to provide oxygen for both immediate national COVID-19 lifesaving needs, and sustainable long-term use beyond the pandemic.

Third Sector and Communities (continued)

- Support for Disabled People

2.56 £0.88m to support a range of measures in response to the key findings in the Locked Out report including the establishment of a Ministerial Taskforce to deliver the report's recommendations. Disabled people have experienced some of the most disproportionate and adverse impacts of the pandemic.

Other Key Allocations from Reserves

2.57 As a responsible government we have used the resources available to us to ensure our spending plans in-year address the immediate challenges that the pandemic continues to cause. We must also address the long-term impacts of the pandemic on services, businesses and individuals and support the path of our public services and economy to recovery, so that we emerge as a stronger Wales as a result. We remain focused on delivering our ambitious Programme for Government commitments to build the stronger, greener, fairer Wales that we all want to see helping public services and our economy recover from the pandemic, and moving us closer towards being a zero-carbon nation.

2.58 Detailed here are some of the key allocations in support of these ministerial priorities. All allocations are set out by MEG and shown in the tables included in Chapter 6. They are not recurrent into 2022-2023.

Health and Social Services MEG

2.59 **£15m** capital to support the work at the Hywel Dda University Health Board for operating theatre facilities.

2.60 **£5.905m** capital for the procurement of Matrix House office building in Swansea by the NHS Wales Shared Service Partnership.

2.61 **£5.264m** capital for the procurement of the Merthyr Ambulance Workshop, and Plas Gororau building to complement the planned continuity works and the proposed redevelopment of the Wrexham Maelor Hospital.

2.62 **£10.818m** capital for the procurement of medical equipment by Swansea Bay University Health Board.

Other Key Allocations from Reserves

Finance and Local Government MEG

- 2.63** To help people with the cost of living crisis, **£152m** has been allocated to provide a £150 cost-of-living payment to all households who live in properties in council tax bands A-D, as well as recipients of the Council Tax Reduction Scheme in all bands. The Welsh Government will be working with local authorities to provide more detail about how the scheme will operate and will begin making payments as soon as possible.
- 2.64** In addition to this £152m programme, a further **£25m** will be provided as a discretionary fund for local authorities, allowing councils to use their local knowledge to help households who may be struggling.
- 2.65** Local authorities are facing many challenges to effectively manage their capital programmes as a result of interruptions and delays that have been perpetuated by the pandemic and the current general escalating costs in the construction industry. We are allocating **£70m** capital to be distributed to local authorities on the basis of the local government general capital grant funding.
- 2.66** **£65.531m** capital to enable the annual instalments of government funding to be paid to the Cardiff Capital Region, Swansea Bay and North Wales deals following the UK Government's decision to reprofile its contributions to the deals.
- 2.67** The February 2020 floods caused unprecedented damage and local authorities across Wales are still carrying out structural repairs and rebuild to damaged infrastructure. This has been hampered to some extent by the restrictions over the past two years from the pandemic. We are providing additional financial assistance of **£19.037m** capital to help meet recovery costs arising from the widespread and significant damage caused.

2.68 £8m revenue to fund the [Electoral Innovations Programme](#) to be delivered as part of the 2022 Local Elections. The Programme is part of a broader five-year programme of electoral reform.

Other Key Allocations from Reserves

Education and Welsh Language MEG

- 2.69** While we want to support the education sector in recovering from the pandemic, we also have to make sure we continue to plan for the future, and help all education settings across Wales fulfil our collective goals of making Wales a net-zero nation.
- 2.70** **£50m** capital is provided via local authorities through the Sustainable Communities for Learning programme. The funding will help schools carry out capital repair and improvement work, with a focus on health and safety measures, such as improving ventilation. The funding will also be used to support decarbonisation.
- 2.71** **£45m** of revenue funding will also help support school budgets, assisting schools as they continue to deal with the ongoing impacts of the pandemic and to prepare for the requirements of the new curriculum.
- 2.72** **£52.5m** has been allocated to support a range of measures including:
- **£40m** for maintenance, equipment and other developments that support the transition to net zero and digital transformation, £20m of which is to be focused on investment in improvements of services and facilities for students;
 - **£10.5m** for additional research activity, including £0.5m to support Net Zero Wales developments; and
 - **£2m** to support further investment in the Welsh Innovation Network, to develop bidding capacity and capability in Welsh universities working with business, public service and/or community organisations.

- 2.73** £8m of additional funding is allocated to help schools whose budgets and staff capacity are already stretched, prepare for, and implement the new Additional Learning Needs system.
- 2.74** £7.072m has been provided to support year 11 learners who have low attendance to complete their GCSEs or help them reach the next stage in their education or in starting a career, as well as enhanced attendance support for other years. Funding will also be provided to support well-being and education for learners at other settings, as well as additional training to help support children and young people who have suffered trauma or have a mental health issue.
- 2.75** £7.9m has been allocated towards supporting the cost of the 2021/22 teachers' pay award in schools and FE colleges.
- 2.76** £5.09m to fund [reading programmes](#) across Wales to provide a book for every learner in Wales, alongside a targeted scheme of reading support focusing on early years and disadvantaged learners.
- 2.77** £5.5m capital and £1.32m revenue to provide schools with [additional resources](#) for music, and £0.05m for Welsh history resources to support the new curriculum.
- 2.78** £0.527m is provided to support costs associated with free access into Urdd Eisteddfod in its centenary year.
- 2.79** £0.35m has been allocated to develop a community schools approach with enhanced family engagement activities.
- 2.80** £0.5m for Wales Data Nation Accelerator, a national programme of interventions that will help Wales to become resilient and prosperous in light of the transformation taking place due to the widespread reach of data science and artificial intelligence.

Other Key Allocations from Reserves

Climate Change MEG

- 2.81** We are allocating **£23m** capital and **£0.5m** revenue to support the advancement of proposals to develop land and/or buildings suitable for social housing developments, and to accelerate the empty homes pilot scheme.
- 2.82** **£20m** is provided to support the social housebuilding sector with the cost pressures due to the significant increases in the costs of materials.
- 2.83** **£4.75m** is allocated to support the implementation of the recommendations of the Burns Commission Report for Newport.
- 2.84** **£4.5m** capital has been provided for the acquisition of St Tydfil's Shopping Centre as part of the regeneration of the town as set out in the strategic Placemaking plan.
- 2.85** **£2m** is allocated to support the costs of surveying building fire safety issues in high and medium rise residential properties.
- 2.86** **£1.1m** to support the work being undertaken on coal tip safety in Wales.

Other Key Allocations from Reserves

Economy MEG

- 2.87** We are allocating **£18m** in financial transaction capital in support of a loan to the Welsh Rugby Union.
- 2.88** **£10m** capital to support power supply facilities at Imperial Park, Newport.

Other Key Allocations from Reserves

Rural Affairs MEG

- 2.89** £1m to support the Small Scale Coastal Infrastructure Scheme.
- 2.90** £0.06m to review the large scale TB testing programme in order to future-proof delivery of TB testing in Wales.

Other Key Allocations from Reserves

Social Justice MEG

- 2.91** We are allocating **£3m** (financial transaction capital) to increase the Community Asset Loan Fund set up to enable the purchase and improvement of community assets by voluntary sector organisations.
- 2.92** **£1.86m** to fund the recruitment and deployment costs for an additional 100 Police Community Support Officers.
- 2.93** **£0.48m** capital is provided to carry out a programme of improvements to complete the refurbishment of Hillside Secure Children's Home.

Other Key Allocations from Reserves

Central Services and Administration MEG

- 2.94** We are allocating **£15m** to support WG staff costs.
- 2.95** **£9.5m** is provided to fund the Senedd Election 2021.
- 2.96** **£0.4m** funding is allocated to establish [Independent Commission on the Constitutional Future of Wales](#).

3. Changes to the Wales Budget since the First Supplementary Budget 2021-22

3.1 Tables 3.1 to 3.4 set out the net impact of all the changes to the Welsh budget. Table 3.5 summarises the total allocations by MEG.

3.2 An overview of the changes to the sources of finance are provided below and details of allocations from reserves can be found in section 6.

Adjustments to Sources of Finance

Fiscal Resource

- 3.3** The Fiscal Resource baseline has increased by a net amount of £322,340k comprising:
- Barnett consequentials totalling £628,517k comprising:
 - £314,280k in respect of funding announced in the UK Autumn Budget 2021; and
 - £134,041k expected in the UK Government's Supplementary Estimates in February 2022. This amount is net of £180,196k in respect of council tax rebate measures announced by the UK Government for England in February 2022 and will be carried forward for use by the Welsh Government into 2022-23;
 - Non Barnett funding of £26,504k from HM Treasury comprising:
 - £11,227k in respect of NDR repayments via HMT;
 - £9,016k in respect of NDR voluntary repayments;
 - £5,150k in respect of prior year adjustments relating to the Immigration Health Surcharge;
 - £885k in respect of the Tampon Tax funding; and
 - £226k in respect of a cash management rebate;
 - Transfers in from other Government Departments totalling £129,051k, comprising:
 - £84,120k from the Department of Health and Social Care comprising:
 - £82,437k in respect of the NHS Test and Trace programme;
 - £775k in respect of death certificate reform and the introduction of medical examiners;
 - £508k in respect of contaminated blood; and
 - £400k in respect of Afghanistan re-settlers in bridging accommodation;

- A transfer in of £37,976k from the Home Office in respect of the Immigration Health Surcharge balance for 2021-22;
- A transfer in of £3,700k from the Securities and Intelligence Agencies in respect of cyber resilience;
- A transfer in of £1,636k from the Department for Transport (DfT) in respect of the Core Valley Lines maintenance and renewals;
- A transfer in of £1,000k from the Department for Environment, Food and Rural Affairs in respect of a boost to the fisheries seafood sector;
- A transfer in of £369k from the Department of Work and Pensions in respect of the Health Innovation Fund;
- A transfer in £250k from the Department for Business, Energy & Industrial Strategy in respect of Salix administration costs;
- An decrease of £(45,749)k as a result of a recalculation and subsequent increase in the block grant adjustment; and
- Transfers out totalling £(561)k to the Department for Culture, Media and Sport (DCMS) comprising:
 - £(362)k in respect of 'Breaking Barriers';
 - £(100)k in respect of the 'National Forestry Community Woodland Grant';
 - £(51)k in respect of the 'National Heritage Memorial Fund', and
 - £(48)k in respect of 'Local Places for Nature'; and
- A decrease of £(415,422)k as a result of a resource to general capital budget switch.

Non-Fiscal Resource

3.4 Since the first Supplementary Budget the non fiscal resource baseline has increased by £62,530k, comprising:

- £44,458k for the depreciation on the Core Valley Line: and
- Barnett consequentials totalling £18,072k, expected in the UK Supplementary Estimates.

Wales Devolved Financing

3.5 The forecasts for Land Transaction Tax and Landfill Tax have increased by £98,027k reflecting the forecasts published by the [OBR](#) in December 2021. Whilst the OBR's update also revises the forecast for the Welsh Rate of Income Tax (WRIT) for 2021-22, the revenues from WRIT in this budget remain as £2,064,061k in accordance with the [Fiscal Framework](#) agreed with the UK Government. The level of local authority expenditure financed by non-domestic rates remains the same at £721,500k.

General Capital

3.6 The general capital baseline has increased by a net amount of £343,310k comprising:

- A net increase in Barnett consequentials totalling £56,781k, comprising;
 - An increase of £110,788k in respect of funding announced in the UK Autumn Budget 2021; and
 - A decrease of £(54,007)k expected in the UK Government's Supplementary Estimates in February 2022;
- A net increase in Non-Barnett additions of £6,231k in respect of funding for City and Growth Deals;
- A net increase of £14,018k as a result of transfers with other Government Departments, comprising:
 - £11,925k from the DfT in respect of the Core Valley Lines maintenance and renewals;
 - £2,993k from the DCMS in respect of digital infrastructure; and
 - £(900)k in respect of transfers to the DCMS comprising;
 - £(600)k in respect of 'Local Places for Nature'; and
 - £(300)k in respect of the 'National Heritage Memorial Fund';
- A decrease of £(149,142)k as a result of 2020-21 CDEL spend adjustment; and
- An increase of £415,422k as a result of a resource to general capital budget switch.

Financial Transactions Capital

3.7 Since the first Supplementary Budget the baseline ring-fenced for financial transaction capital has increased by £32,022k comprising:

- The drawdown of £50,000k funding from the Wales Reserve; and
- A reduction of £(17,978)k due to negative Barnett consequentials expected from the UK Government's Supplementary Estimates in February 2022.

4. Transfers between Ministerial Portfolios

4.1 Multiple transfers totalling £50,488k have taken place between MEGs in this supplementary budget. Information of the transfers of £1,000k and above are detailed below:

Fiscal Resource

4.2 Fiscal resource transfers totalling £26,419k have taken place and these include:

- £7,220k transferred from the Health and Social Services MEG to the Finance and Local Government MEG:
 - £3,720k in respect of the reallocation of childcare budget initiatives to support early year, childcare and play services; and
 - £3,500k in respect of indicative grant allocations;
- £1,398k transferred from the Health and Social Services MEG to the Education and The Welsh Language MEG in respect of North and West Wales medical expansion;
- £3,700k transferred from the Climate Change MEG to the Education and Welsh Language MEG in respect of homelessness prevention, early identification and intervention.
- £2,842k transferred from the Climate Change MEG to the Economy MEG in respect of the management and development budget for the St Athan Estate; and
- £1,000k transferred from the Health and Social Services MEG to the Social Justice MEG for the procurement of future digital inclusion intervention.

General Capital

4.3 Capital transfers totalling £24,069k have taken place and these include:

- £14,760k transferred to the Climate Change MEG in respect of changes in ministerial responsibilities, comprising:
 - £10,560k from the Finance and Local Government MEG; and
 - £4,200k from the Economy MEG;

- £5,051 transferred from the Finance and Local Government MEG to the Health and Social Services MEG in respect of Invest to Save;
- £2,000k transferred from the Climate Change MEG to the Economy MEG in respect of the management and development budget for the St Athan Estate; and
- £1,814k transferred from the Climate Change MEG to the Health and Social Services MEG in respect of the Intermediate Care Fund.

5. Transfers within Ministerial Portfolios

5.1 In addition to the transfers between Ministerial Portfolios detailed in section 4, there are a number of transfers between BELs within the same portfolios which are included within the published BEL Tables. These are generally administrative in nature and have no net effect on the individual MEG totals. Information of the transfers of £1,000k and above are detailed below.

Health and Social Services

5.2 Multiple resource transfers totalling £25,569k have taken place between BELs within the Health and Social Services MEG. In summary, these transfers:

- align allocations to fund specific commitments; and
- re-distribute the COVID-19 funding originally allocated to the 'Core NHS Allocation' BEL.

Finance and Local Government

5.3 Multiple resource and capital transfers totalling £3,200k have taken place between BELs within the Finance and Local Government MEG the most significant of which is:

- £2,375k resource transferred from Non-domestic Rate – Rates Relief to Emergency Financial Assistance in respect of Local Government recovery funding for the February 2020 floods.

Education and the Welsh Language

5.4 Multiple resource transfers totalling £181k and capital transfers totalling £17,410k have taken place between BELs within the Education and The Welsh Language MEG.

- £10,000k capital was transferred from Education Infrastructure to Further Education Provision relating to the targeted maintenance and equipment funding for further education colleges in Wales; and

- £7,410k capital transferred from Education Infrastructure to the new Supporting Digital Learning in Education BEL to extend the Hwb National Microsoft Licence.

Climate Change

5.5 Multiple resource transfers totalling £9,213k and capital transfers totalling £89,400k have taken place between BELs in the Climate Change MEG.

Resource:

- £7,500k has been transferred from multiple BELs to Natural Resources Wales to address budget pressures. The most significant of these transfers were:
 - £1,774k from Enabling Natural Resources;
 - £1,676k from Radioactivity & Pollution Prevention;
 - £1,535k from Resource Efficiency and Circular Economy; and
 - £1,314k from Clean Energy;
- £1,499k has been transferred from Planning & Regulation Expenditure to the new Planning and Environment Decisions Wales BEL.

Capital:

- £50,000k capital has been transferred from Social Housing Grant to the new Residential Decarbonisation & Quality BEL in respect of the Optimised Retrofit Programme;
- £28,000k capital has been transferred from National Transport Infrastructure to Network Operations in respect of budget reprioritisation;
- £5,600k capital has been transferred from Resource Efficiency and Circular Economy to Flood Risk Management & Water Revenue in respect of Coal Tip safety;
- £2,800k financial transaction capital has been transferred from Building Safety to Regeneration in respect of the Transforming Town Projects;

- £1,500k capital transferred from Resource Efficiency and Circular Economy BEL to Natural Resources Wales to address budget pressures; and
- £1,500k financial transaction capital from Sustainable and Active Travel to Strategic Infrastructure Development.

Economy

5.6 Multiple resource transfers totalling £1,938k and capital transfers totalling £10,833k have taken place between BELs in the Economy MEG.

Resource:

- £1,000k from Communities for Work to Creative Wales.

Capital:

- £4,000k underspend has been transferred from Valleys Task Force to Sport Wales to support sport programmes;
- £6,683k has been transferred from Tourism including:
 - £3,585k to Creative Wales to meet the expenditure on projects ahead of schedule;
 - £1,350k to the National Botanic Garden of Wales to enable them to undertake essential works; and
 - £1,200k to Careers Wales.

Central Services and Administration

5.7 Multiple resource transfers totalling £8,048k and capital transfers totalling £5,508k have taken place between BELs in the Central Services and Administration MEG:

Resource:

- £4,653k to Staff Costs:
 - £3,390k from IT Costs in respect of ICT Transfer of Undertakings (Protection of Employment) (TUPE); and
 - £1,263k from Central EU Transition Costs for the cost of the Social Partnership and Trade Policy Team.

Capital:

- £5,508k from General administration Expenditure including:
 - £4,482k to IT Costs in respect of capital allocations and changes in delegations.

Resource to Capital Budget Switches

5.8 Multiple resource to capital budget switches totalling £50,713k have taken place within MEGs, the details are as follows:

- Health and Social Services - £45,275k in respect of the reclassification of research and development budgets;
- Finance and Local Government - £846k in respect of Invest to Save.
- Economy - £4,000k in respect of Business Wales and Business Innovation; and
- Social Justice - £592k in respect of International Development.

Capital to Resource Budget Switches

5.9 Multiple capital to resource budget switches totalling £43,327k have taken place within MEGs, the details are as follows:

- Climate Change - £42,735k comprising:
 - £37,000k in respect of Concessionary Fares COVID-19 allocations;
 - £3,735k in respect of Sustainable and Active Travel; and
 - £2,000k financial transaction capital in respect of fire safety.
- Central Services and Administration - £592k in respect of General Administration costs.

6. Changes to Reserves

6.1 This budget regularises a number of allocations to and from reserves. Key allocations are detailed in Chapter 2 but this chapter summarises all movements by MEG and provides a full list of all transactions in table 6.1.

Allocations from Fiscal Resource Reserves

6.2 Allocations totalling £1,315,692k have been made from fiscal resource reserves in response to COVID-19. The MEG breakdown is as follows:

• Health and Social Services	£ 612,520k
• Finance and Local Government	£ 333,482k
• Education and the Welsh Language	£ 115,714k
• Climate Change	£ 75,512k
• Economy	£ 153,364k
• Rural Affairs	£ 8,000k
• Social Justice	£ 15,970k
• Central Services and Administration	£ 1,130k

6.3 In addition, other allocations totalling £431,269k have also been made to portfolios from fiscal resource reserves. The MEG breakdown is as follows:

• Health and Social Services	£ 45,202k
• Finance and Local Government	£ 185,300k
• Education and the Welsh Language	£ 161,309k
• Climate Change	£ 8,838k
• Rural Affairs	£ 60k
• Social Justice	£ 1,860k
• Central Services and Administration	£ 28,700k

An additional £43,327k in fiscal resource funding has been allocated to the MEGs from reserves as a result of multiple capital to resource budget

switches. (Details of all MEG budget switches can be found in Chapter 5.)

Transfers to Fiscal Resource Reserves

6.4 Transfers totalling £(104,933)k have been made into fiscal resource reserves. This includes £(50,713)k relating to a number of switches between resource and capital budgets. (Details of all MEG budget switches can be found in Chapter 5).

Movements in Non Fiscal Resource Reserves

6.5 There have been a small number of movements affecting non fiscal resource reserves in this supplementary budget. The net result is an increase in allocations of £80,354k. The MEG movements are as follows:

• Health and Social Services	£ 57,000k
• Climate Change	£ 25,000k
• Education and The Welsh Language	£ 554k
• Rural Affairs	£ (2,200)k

Allocations from General Capital Reserves

6.6 Allocations totalling £82,576k have been made from general capital reserves in response to COVID-19. The MEG breakdown is as follows:

• Health and Social Services	£ 45,000k
• Education and the Welsh Language	£ 17,528k
• Climate Change	£ 170k
• Economy	£ 15,290k
• Rural Affairs	£ 4,000k
• Social Justice	£ 588k

6.7 In addition, other allocations totalling £328,953k have also been made to portfolios from general capital reserves. The MEG breakdown is as follows:

• Health and Social Services	£ 36,987k
------------------------------	-----------

• Finance and Local Government	£	154,568k
• Education and the Welsh Language	£	58,500k
• Climate Change	£	67,418k
• Economy	£	10,000k
• Rural Affairs	£	1,000k
• Social Justice	£	480k

An additional £50,713k in general capital funding has been allocated to the MEGs from reserves as a result of multiple resource to capital budget switches. (Details of all MEG budget switches can be found in Chapter 5.)

Transfers to General Capital Reserves

6.8 Transfers totalling £(41,927)k have been made into general capital reserves. These include £(41,327)k relating to a number of switches between capital and resource budgets. (Details of all MEG budget switches can be found in Chapter 5.)

Allocations from Financial Transaction Capital Reserves

6.9 There have been two transfers from the financial transaction capital reserves totalling £21,000k, The MEG breakdown is as follows:

• Economy	£	18,000k
• Social Justice	£	3,000k

Allocations to Financial Transaction Capital Reserves

6.10 There have been multiple transfer totalling £(78,027)k back to the financial transaction capital reserves. This includes £(2,000)k relating to a capital to resource budget switch, details of which can be found in Chapter 5. The MEG breakdown is as follows:

• Education and the Welsh Language	£	(1,141)k
• Climate Change	£	(42,808)k
• Economy	£	(32,582)k
• Social Justice	£	(1,496)k

Table 6.1 below reflects all the movements on reserves:

7. Annually Managed Expenditure (AME) Budgets

- 7.1** AME budgets detailed in the 2nd Supplementary Budget reflect the last forecasts provided to HM Treasury.
- 7.2** The following adjustments have been made since the 1st Supplementary Budget was approved:
- Health and Social Services:
 - An increase of £289,004k for impairments and provisions relating to the NHS in Wales;
 - Education and the Welsh Language:
 - A net increase of £66,828k to reflect the latest Student Loans forecasts, comprising:
 - An increase of £4,993k in resource and
 - An increase of £61,835k in capital.
 - Climate Change:
 - A net reduction of £84,867k comprising:
 - A decrease of £94,990k relating to the impairment of the roads network;
 - An increase of £8,123k reflecting the latest forecasts for Help to Buy fair value adjustments; and
 - An increase of £2,000k for Transport for Wales' provisions.
 - Economy
 - An increase of £13,000k relating to increased pension provisions for sponsored bodies; and
 - Social Justice:
 - A reduction of £969k in respect of the Fire Service pension provision.

Table 7.1 below sets out the current AME budgets.

Annex 1 – Reconciliation between the Portfolio Budgets in the Action Tables and those the Budget Motion

The Explanatory Note supports the Supplementary Budget Motion published alongside this document, which sets out the changes to both the resources that the Welsh Government is proposing to use in 2021-22 and the cash it is seeking authority to draw from the Welsh Consolidated Fund. The tables within this note use the HM Treasury control totals and align with the BEL Tables. However, the figures in the Supplementary Budget Motion align with the Statement of Resource Outturn which is used in the Welsh Government accounts and is prepared on a slightly different basis.

The Welsh Government's budget includes items which do not score as part of the 'Resources Requested' by Welsh Ministers. This Annex provides a reconciliation between the two by each portfolio.

2021-22 SUPPLEMENTARY BUDGET									
£000s									
	Health and Social Services	Finance and Local Government	Education and the Welsh Language	Climate Change	Economy	Rural Affairs	Social Justice	Central Services and Administration	TOTAL

Annex 2 – Glossary

Action	Within each Main Expenditure Group (MEG), budgets are allocated to a number of sub-programmes known as Actions.
Ambits	Descriptions of the specific purposes for which Welsh Ministers are authorised by Senedd Cymru to spend resources. Ambit Descriptions and resource limits are contained within the Annual and Supplementary Budget Motions. Ambits correspond to MEGs.
Annually Managed Expenditure (AME)	Expenditure which cannot reasonably be subject to firm, multi-year limits in the same way as DEL and is therefore reviewed twice a year as part of the HM Treasury’s Budget and Pre-Budget Report processes. AME typically consists of programmes which are large, volatile or demand-led; for example the issue of student loans.
Budget Motion	The means by which Senedd Cymru authorises Welsh Ministers to spend resources up to a specific level for specified purposes and to draw cash up to a specific limit from the Welsh Consolidated Fund.
Budget Expenditure Line (BEL)	Within each Action budgets are allocated to a number of sub-expenditure groups known as BELs. Tables showing budgets at BEL level are available at: http://gov.wales/funding/budget/?lang=en
Capital	Expenditure that in the main results in a physical asset, for example a new building. The Welsh Government DEL and AME budgets have separate capital and resource limits.
Departmental Expenditure Limit (DEL)	The multi-year budget limit for the Welsh Government set by the HM Treasury in Spending Reviews.
Depreciation	The drop in value of an asset due to wear and tear, age and obsolescence. Under resource budgeting, depreciation is part of the Welsh Government’s DEL but is a non-fiscal resource DEL item.

Direct Charges on the Welsh Consolidated Fund	Expenditure which is legally required to be charged directly to the Welsh Consolidated Fund and therefore is not included within the ambits of the Welsh Government or any other body. Direct Charges include the remuneration of the Presiding Officer and Auditor General.
Financial Transactions	Financial transactions can only be used for loans and equity purposes. A proportion of the funding also has to be repaid to the UK Government.
Fiscal Resource DEL (sometimes referred to as revenue)	The Fiscal Resource DEL budget scores most of the department's current expenditure. Expenditure is recorded on an accruals basis. It includes expenditure on pay, current procurement, current grants and subsidies.
Main Expenditure Group (MEG)	The Welsh Government DEL is divided into a number of Main Expenditure Groups. There are currently 8 MEGs: Health and Social Services; Finance and Local Government; Education and the Welsh Language; Climate Change; Economy; Rural Affairs; Social Justice and Central Services and Administration.
Non-Fiscal Resource DEL (sometimes referred to as 'non cash')	The Non-Fiscal Resource DEL budget scores the current expenditure in respect of impairment of student loans and depreciation. Non-Fiscal Resource DEL is ring-fenced and cannot be used to fund fiscal resource DEL spending.
Receipts	Some areas of Welsh Government activity generate income, for example, through the sale or rental of assets. These are represented in the budget as negative figures.
Resource budgeting	The Welsh Government's budget is set on a resource basis derived from accruals information. Accruals information measures resources as they are consumed rather than when the cash is paid. So, for example, resource budgeting includes a charge for depreciation, a measure of the consumption or wearing out of capital assets.

Spending Review	HM Treasury periodically reviews expenditure for each UK Government Department and sets budgets for the forthcoming years. Budgets for the devolved governments are derived from these budgets via the Barnett formula, which is the mechanism used to calculate public expenditure allocated to Wales to reflect changes in spending levels allocated to public services in England.
Total Managed Expenditure (TME)	This is an HM Treasury control total which is made up of the total Departmental Expenditure Limit plus Annually Managed Expenditure.
Welsh Consolidated Fund	The account into which the money voted by the UK Parliament for use by the Welsh Government, the Senedd Commission, the Auditor General, and the Public Services Ombudsman for Wales is paid.
WGSB	Welsh Government Sponsored Body. Examples include the Higher Education Funding Council for Wales and the Arts Council of Wales.
