5.3.2 RCT - Ysgol Gyfun Gymraeg Cwm Rhondda – FBC
<u>DECISION:</u> Content to progress to Panel subject to more understanding on the high tendered costs and capacity numbers and satisfactory college responses to the addendum questions,
<u>REQUESTS/QUERIES RAISED IN THE MEETING:</u>

(WG Official 1) Need tendered costs but reassured as contractor is involved. Also, the costs with and without abnormals are acceptable, though slightly high. (The Team is engaging with the local authority to understand these further, particularly given the site's topography challenges).
(Medr). Clarify why sixth-form capacity is recorded as higher despite falling overall numbers and outline the planning in place to meet increased Welsh-medium demand amid declining post-16 learner numbers.

FOLLOW UP ACTIONS:

WG Official 1 to submit an addendum to the LA with questions policy colleagues have asked in this meeting and on the assessment sheet.
