Dear

**ATISN 20713 - Funding of slurry stores through the Nutrient Management Investment Scheme**

Thank you for your request which I received on 27 May 2026. You asked for: *How many applications were received from dairy farmers for grants to support new slurry stores were (a) received as expressions of interest, (b) accepted for evaluation, (c) approved for funding, (d) actually funded, and (e) successfully constructed?*

The information you requested is enclosed, below, with the following caveats:

- Each following row is a subset of the preceding one.
- The number claimed (e.) is also included.
- 'f. Number paid to date' indicates "successfully constructed", as they were all subject to inspection before being paid.
- This information applies to **dairy** farmers identified from primary sector declarations provided on the Single Application Form 2026.

Round 1 (Completed – no further claims accepted)

- a. Number of EOIs received for Slurry stores and associated reception pits (NM2) = 129
- b. Number of applicants offered selection = 118
- c. Number of full applications received = 84
- d. Number offered contract award = 75
- e. Number claimed to date = 72
- f. Number paid to date = 72

Round 2 (Claims to be submitted by 31 March 2027)

- a. Number of EOIs received for NM2 = 152
- b. Number of applicants offered selection = 152
- c. Number of full applications received = 133
- d. Number offered contract award = 126
- e. Number claimed to date = 43
- f. Number paid to date = 37

Round 3 (Claims to be submitted by 31 March 2028)

- a. Number of EOIs received for NM2 = 53
- b. Number of applicants offered selection = 52
- c. Number of full applications received = 42
- d. Number offered contract award = 37
- e. Number claimed to date = 1
- f. Number paid to date = 0
