Dear

ATISN 27082 – Leisure centres

Thank you for your request which I received on 10 June. You asked for the information as shown at Annex 1.

Our response

The data available at https://datamap.gov.wales/layers/geonode:leisure_centres_wales is derived from data held by SportsWales and Ordnance Survey (AddressBase). Following confirmation from those providers, we have made this data available to download. This can be done by navigating to the catalogue page of the above layer. Under "Spatial data download" the data format required can be selected and clicking on the download button will start the download. There is no additional data held in relation to this dataset, either additional fields or historical versions as this was produced once.

SportWales may hold more other information for leisure centres. They can be contacted at foi@sport.wales.
