Dear

ATISN 27111 – All Wales Weight Management

Thank you for your request to Welsh Government for information under the Freedom of Information Act (2000) received on 19 June 2026, relating to the All-Wales Weight Management Policy.

You requested the following information:

- *Copies of any Equality Impact Assessments (including assessments carried out in relation to the Public Sector Equality Duty and/or Socio-economic Duty and/or Health Inequalities Duties) undertaken in relation to your **All Wales Weight Management Policy***

Our Response

Welsh Government does not hold an Equality Impact Assessment, Socio-economic Duty assessment, Health Inequalities assessment or Integrated Impact Assessment specifically relating to the All-Wales Weight Management Pathway.

The All-Wales Weight Management Pathway provides a framework for delivery across Wales, but implementation is undertaken locally by health boards. Consideration for the matters queried are incorporated through local health board planning and Integrated Impact Assessment processes. You may wish to contact the local health boards directly and their contact details can be found [here](#)
