## **ATISN 27136 Barmouth Flood Scheme**

### **Information requested**

Thank you for your request which I received on 25/06/2026. You asked for:

1. The final Outline Business Case submitted to Welsh Government for the Barmouth North Promenade Flood Alleviation Scheme, including all appendices and supporting documents.
2. The Welsh Government approval, funding decision, approval letter, decision record and any associated conditions or qualifications.
3. Any Welsh Government review, assessment, challenge, comments or recommendations on:
  - the shortlisted and rejected options;
  - costs, benefits and value for money;
  - the preferred-option selection;
  - environmental, amenity, coastal-process, drainage or operational implications;
  - the need for subsequent design development or reassessment.
4. Correspondence or meeting records between Welsh Government and Cyngor Gwynedd/YGC concerning the approval of the Outline Business Case, where those records address the choice between alternative options or the development of the preferred scheme.
5. Any later Welsh Government documents considering whether the original options appraisal remained appropriate as the scheme developed into the current rock-armour, secondary-wall, flood-gate and drainage proposal.
