

BVDCymru Online Portal Guidance

EIDCymru

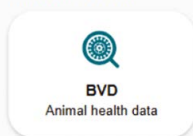

Llywodraeth Cymru
Welsh Government

You can now use EIDCymru to check:

- » your CPH BVD virus status
- » your herd health
- » view and share your BVD test results.

Animal Health

To access the BVD Animal Health portal click on the BVD tile.

BVD Negative

CPH Number
12/345/6789

BVD Not Negative

CPH Number
00/000/0000

This is how your CPH BVD virus status will be shown.

Animal movement statuses

Animal movement statuses definitions explained.

My BVD CPH status

Animals on my CPH

By clicking on **'My BVD CPH status'** you can look up the BVD status for individual animals on your holding. If your holding is Negative, you can download your BVD certificate here.

Test results

View and share results

Under **'My test results'** you can view previous BVD tests submitted and their results. You can also share valid results with another keeper from here.

CPH BVD lookup

(not on my CPH)

Within **'CPH BVD lookup'** you can search for a CPH that is not your own to view the BVD CPH status.

Animal BVD lookup

(not on my CPH)

Within **'Animal BVD lookup'** you can search for an individual animal that is not your own and view the BVD status.

Shared results

Results shared with me

Within **'Shared results'** you can view BVD test results shared with you from another keeper.

Admin

Here you can view and change your preferred BVD vet practice.
