Bore Da

Further to the email below please find attached below the approximate current and proposed use of the junction.

Please note also that the proposed use is for weekends so does not coincide with the main traffic movements from the Forest and Sawmill.

Forest Operations Esgair Forest - Average 6 per day, 250 days per year = 1500

NRW Operations - access to Tanycoed Forest - Average 2 per day 250 days per year = 500

Sawmill Staff - Average 16 per day 250 days per year = 4000

Weekend/Out of Hours visits to Sawmill/Forest by owners $4 \times 52 = 208$

Pantperthog Farm - 3 cars @ 2 times per Day 300 days per year - 1500

Deliveries - Average 12 per week - 540

Outward Bounds - Average 12 trips per week = 540

Total current 8788

Total proposed 20 weekends @ 20 vehicles = 400

Percentage increase - 5%

With Regards / Gyda Cyfarchion
