

Confirm a Movement

Use this option to report sheep and/or goats that have arrived on your holding from a livestock market or another keeper who has reported electronically.

1. From the dashboard, select 'Accept Movements'

Create a movement

Set up a movement happening in the future
Set up >

Report a movement that has taken place
Report >

Accept movements

1 Accept movements > Future and draft movements Movement records

2. Select 'View Movement'

Accept movements

Please view the movements below and either Accept, Reject or Query.

Movement details - 35 Sheep moving

Reference number YB654834 Origin CPH S2/160/6014

Arrival date Today Destination CPH S2/999/0001

View movement >

Arriving Today

3. Check the Departure and Destination details to ensure it is the movement you want to accept

Summary of move from Market

Reference number YB654834

Departure Details

Departure CPH CC / PPP / HHHH

Market Town County Post Code

Movement date 16-07-2025

Loading date

Destination Details

Destination CPH CC / PPP / HHHH

Farm Village Town County Post Code

4. Check each 'tag number' and the number of 'animals arrived' is correct.

Use 'Query' for any discrepancies. Record 'DOA' only if an animal died in transit.
