24 September 2026

Dear ,

Request for Information - ATISN 27452

Further to your written question request for information of 2 September where you asked for the number of car accidents on the A55 which have caused the closure of the road (A55) over the last 2 calendars years.

Our response

The Welsh Government holds the information you have requested. As previously advised, I have taken the calendar years to mean 1st September 2024 to 31st August 2026 and by closure I have taken it as a complete closure of the carriageway either east bound, west bound or in both directions simultaneously.

In total there were 19 closures on the A55 involving a car on the A55 between the 1st September 2024 and 31st August 2026.
