Thank you for your request submitted on 3 August, which I received on the same day.

any records held by the Welsh Government relating to possible works, fencing, a wall, enforcement action or consent involving registered common land adjoining, the above address.

The information caught by your request constitutes environmental information and has been considered for disclosure under the Environmental Information Regulations ("EIRs"). I have found one item falling within the scope of your request and concluded it is exempt from disclosure under Regulation 13 of the EIRs. The reason for applying this exemption is set out in full at Annex 1 to this letter.

Our response

Despite an extensive search we have not been able to find any records of any consents, granted for works on common land adjoining the above address. As to any enforcement that may, or may not have been taken that would have been a matter for the local Common land authority, in this case Carmarthenshire County Council. As not consent was granted no records would be held by another authority.
