Subject: Defence Security Resilience Cymru - Welsh Government Business Wales Representation (A63945151) - response needed by 19th August 2026

Hi all

The Welsh Government is sponsoring the Defence Security Resilience Cymru Conference (DSRC) on the 3rd and 4th September 2026 at the ICC in Newport.

[REDACT] and [REDACT] from [REDACT] team are sponsoring the event, Ministerial attendance and Business Wales is hosting some of the supply chain sessions and working with you all to provide a good Welsh Government presence over the 2-days. The event is independently led by Business in Focus. The outline conference plan is within the attached document along with an overview of the event.

[REDACT] is currently working on the stand design and focussed on eight themes: Export | Skills | Supply Chain | Business Growth | Defence & Security | Regional support | Innovation | Digital. There will also be a screen as a reel of Welsh Government policy and support in this area. [REDACT] have a separate stand with [REDACT].

We are looking to confirm representation on the stand for the two days by 19th August 2026, to maximise investment and presence of support from WG.

I've spoken to most of you, but apologies for the mass email and I would appreciate it if you can confirm representation from your team or confirmation that you are unable to attend:

- 1) Export - [REDACT]
- 2) Skills - [REDACT] / [REDACT]. Is this an area of interest? There is a specific skills theme to the second day of the conference sponsored by [REDACT], [REDACT] and [REDACT]
- 3) Supply chain - [REDACT] or other representative if you are delivering sessions?
- 4) Business Growth - BW service
- 5) Defence & Security - [REDACT] I can you confirm your own team / defence cluster. [REDACT] - are you able to confirm if your team wish to be represented.
- 6) Regional Support - [REDACT] have expressed an interest in attending, [REDACT] have their own stand and shared with LA's. [REDACT] / [REDACT] / [REDACT] - sharing for awareness to see if you wish to provide representation.
- 7) Digital - [REDACT] - would there be wider interest from your team? [REDACT] - Cyber?
- 8) [REDACT] - Would you be able to nominate [REDACT] representation?

Please can you provide names and details of representatives over the 2 days in the attached document? All stand representatives will need to register directly on the web page as delegates: <https://www.dsr.cymru/delegate-registration>

Please use the registration if you are planning to attend the event also.

If you feel this will be of interest to wider WG colleagues, please share as appropriate.

Many thanks
