Dear

**ATISN 27475 / RE: Freedom of Information request - Emergency power supply arrangements**

**Information requested**

Thank you for your request which I received on 8 September. You asked for the following information, regarding emergency power supply arrangements within the Local Resilience Forum areas:

- 1. Whether mobile or stationary emergency power supply is available, and if so, the approximate power output in kilowatts.*
- 2. The categories of location or facility that would be prioritised for emergency power in the event of a prolonged outage (e.g. hospitals, care centres, schools).*
- 3. Whether there are plans to increase emergency power capacity in the next two years.*

**Our response**

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government.

**Next steps**

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at: Information Rights Unit, Welsh Government, Cathays Park, Cardiff, CF10 3NQ or Email: [Freedom.ofinformation@gov.wales](mailto:Freedom.ofinformation@gov.wales)

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:
