Statutory Register of Historic Parks & Gardens in Wales: Powis Castle Garden

Dear Sir/Madam,

I am writing to you on behalf of Cadw since I understand that you own or occupy all, or part, of the historic park and garden at Powis Castle Garden.

As you may be aware, the historic significance of Powis Castle Garden has been recognised by its inclusion in the non-statutory register of historic parks and gardens in Wales.

Grade 1. Primary reasons for grading:

Internationally renowned garden of exceptional historic and horticultural interest which contains the finest surviving Baroque late seventeenth-century/ early eighteenth-century garden terraces in the United Kingdom, including an aviary and orangery and some fine contemporary lead sculpture from the van Nost studio. The garden also has later historic overlays; the eighteenth century landscaping in the great lawn and wilderness by William Emes and early twentieth century fountain garden and replanting on the terraces.

The Historic Environment (Wales) Act 2016 placed a duty on the Welsh Ministers to compile and maintain a statutory register of historic parks and gardens in Wales. The existing non-statutory register will form the basis of the new statutory one. In preparation for the move to statutory status, the opportunity has been taken to review the extent of all historic parks and gardens currently registered. Before the statutory register is finalised and brought into force during 2019-20, the Welsh Government's Historic Environment Service (Cadw) will be consulting with owners and occupiers of registered parks and gardens about the proposals resulting from that review.

I therefore enclose a map of Powis Castle Garden showing the area proposed for statutory registration.

If you have any comments, please send them to me by 17 April 2020 so that they can be considered before the statutory register is finalised. If you are not the owner or occupier of the entire site, we would be grateful for information about anyone else who has such an interest in the land.

Mae'r Gwasanaeth Amgylchedd Hanesyddol Llywodraeth Cymru (Cadw) yn hyrwyddo gwaith cadwraeth ar gyfer amgylchedd hanesyddol Cymru a gwerthfawrogiad ohono.

The Welsh Government Historic Environment Service (Cadw) promotes the conservation and appreciation of Wales's historic environment.

Rydym yn croesawu gohebiaeth yn Gymraeg ac yn Saesneg.
We welcome correspondence in both English and Welsh.
