Hi [REDACTED],

I hope you're well. I left a message on your phone regarding your email below. I just wondered if you received it? Just to say, it would be good to discuss the issues raised in your email below whenever suits you.

Kind Regards

Hi [REDACTED],

Hope you are keeping well?

Need a bit of advice here at Powis on listing and LBC.

Would you happen to know, or do you have a view around the cabinets in the Clive Museum being part of the listing or not?

Happy to chat through what we are up to if you have time?

Thanks
