# BAN ON WET WIPES CONTAINING PLASTIC IN WALES

Llywodraeth Cymru
Welsh Government

**From 18 December 2026**

## THE PROBLEM

- They release tiny pieces of plastic that pollute rivers, seas and land.
- This plastic pollution can harm wildlife and their habitats.

## THE SOLUTION

- Choose reusable or washable wipes where possible.
- If you need wet wipes, choose plastic-free and don't flush them.

## MAKE THE CHANGE

- ONLY flush the 3Ps:
  - Pee
  - Poo
  - Paper
- Put all wipes in the bin. Bin it, don't flush it!
