

# Welsh Language Use Survey

Llywodraeth Cymru  
Welsh Government

Dear

An interviewer recently visited your home to carry out an interview for the National Survey for Wales. They left one questionnaire about the Welsh language for each Welsh speaker in your household to complete.

We are very interested to know more about how people across Wales use the Welsh language. Your answers will contribute to our understanding, and will help us develop policies to support the use of Welsh.

We haven't yet received your completed questionnaire(s). I would be grateful if you could complete and return the enclosed questionnaire(s) in the freepost envelope provided as soon as possible.

If you have recently returned your questionnaire(s), many thanks for your time; you do not need to do anything further.

Taking part is voluntary, but I hope you will be willing to help us gather this vital information.

**If you have any questions about this survey, please contact the Welsh Government on 03000 256682 or [WelshLanguageData@gov.wales](mailto:WelshLanguageData@gov.wales)**

Thank you for your help.

Yours faithfully,

**Glyn Jones**

Chief Statistician for the Welsh Government
