

# National Survey topics 2022-23

The main topics for the National Survey in 2022-23 are set out below. Fieldwork will run from April 2022 to March 2023. The survey will consist of a 25 minute telephone interview, with a follow-up 15 minute online survey (non internet users will complete that section by phone instead). The final set of topics may change slightly from the list below due to timings.

## Core topics

Economic status and qualifications  
Material deprivation  
National identity, ethnicity and religion  
Sexual orientation  
Tenure and satisfaction with accommodation  
Internet connection and use
