## Frequently asked questions

### Why should I take part?

The survey is your chance to share your opinions and experiences on a range of topics, including health, education and your local area. Your answers will help us make Wales a better place to live.

Each person that takes part will receive a **£15 gift card** as a thank you.

### What happens to my answers?

Your answers will be kept confidential and only used for research purposes.

More details on how we store and process information can be found at [gov.wales/nationalsurveyinfo](https://gov.wales/nationalsurveyinfo)

### How was my address chosen?

Your address was randomly selected from Royal Mail's publicly-available list of addresses in Wales.

### What if I am not comfortable or able to answer a question?

The questions in the survey are voluntary, and you can skip any questions that you don't know or are not comfortable answering.

### Can I take part in other languages?

You can complete the survey in Welsh or English. If you would like to take part in another language, you could ask a family member or friend to translate for you. We can also arrange an interpreter. Please call us on the number below to arrange this.

### Who carries out the survey?

The National Centre for Social Research (NatCen), on behalf of Welsh Government.
