The study takes around **30 minutes**. You don't need any special knowledge. Answers are kept confidential and only used for research purposes.

The study should be completed by **any two people aged 16+ in your household**. If there is only one person aged 16+ then only they should take part.

1. Complete the study

To take part, each person should scan the QR code or go to **gov.wales/surveywales**

Then log in using one of these codes:

Log-in code for adult 1: <AccessCode1>

Log-in code for adult 2: <AccessCode2>

2. Receive a £15 gift card as a thank you

Each person that completes the study will receive a £15 gift card.
