National Survey topics 2027-28

The main topics planned for the National Survey in 2027-28 are set out below. The survey consists of a 30-minute online survey, with the alternative option of completing via paper or telephone.

We will pilot these topics in January 2027. Once results, feedback and timings from the pilot are reviewed, the final list of all topics included in 2027-28 (April to March) will be confirmed.

Core questions
Economic status and qualifications
Material deprivation
National identity, ethnicity and religion
Sexual orientation
